

# CABLE GUARDS

## WGS410N

- **Narrow Welder Sets** fit TWO 10" diameter wheels up to 2" wide & TWO 4" diameter wheels up to 1.5" wide. (Includes all necessary hardware)
- Fits newer Miller and Hobart Welders
- Can be used on Esab and other welders with 8" wheels

## WGS410W

- **Wide Welder Sets** fit TWO 10" diameter wheels up to 2.5" wide & TWO 4" diameter wheels up to 1.5" wide. (Includes all necessary hardware)
- Fits all Lincoln and older Miller welders.  
*\*Newer Lincolns have 3.75" front casters. This **does not** affect the performance of our 4" guard, but the guard will not stay with wheel if lifted.\**
